

O. Warren Hillgren Scholarship

How to apply:

Applications are available through the High School Counselors at La Cañada High School in the month of February. The winner will be invited to ride as the Chamber's special entry in the Memorial Day Parade.

Each applicant from La Cañada High School shall submit an application for consideration by the La Cañada Flintridge Chamber of Commerce Scholarship Selection Committee. The application must include a written essay not to exceed 200 words describing involvement and benefits received from his/her extracurricular school activities and community service including work in the local business community.

The scholarship will be awarded on the basis of merit, which includes excellence in academics, character, extra-curricular school activities, community service and/or athletics. Special consideration shall be given to the weighting of the candidate's experience, further involvement with the local business community, aptitude for business entrepreneurship, and commercial enterprise consistent with the values stated above. Recipient must be a citizen of the United States and a senior in good standing at La Cañada High School.
